Discussion/Description:

BayRICS General Manager Corey Reynolds will provide a BayRICS Joint Powers Authority Update and one request for regional funding as described below. Please see Appendix A for a PowerPoint presentation.

Funding Request: BayRICS Regional Voice and Broadband Data Communications Planning and Governance. This proposal is for \$69,000 for contract services to support terrorism preparedness by continued support for broadband planning activities, and also regional governance activities required to ensure interoperability of public safety voice and broadband data communications. Funding will be used to coordinate the deployment of the FirstNet nationwide public safety broadband network in the Bay Area, and to develop and implement regional governance policies and procedures for public safety voice and data communications.
